

PRESS RELEASE

SALT Ministries has entered into a joint agreement to fund and build a Christian media hub in Northamptonshire in conjunction with the leadership training Centre (LTC) part of the New Testament Church of God.

The collaboration has gotten off to a wonderful start with the completion of our first Studio facility this week. The hub will offer facilities for Christian educators and Ministries to create cutting edge programming using our state of the art studio.

The Leadership Training Centre, spearheaded by Bishop Delroy Henry will offer a new visual visually produced prospectus to embellish its online correspondence courses.

SALT Ministries will provide additional programming sourced from MINISTRY content around the Globe. We believe this collaboration will produce tremendous souls and fruit for The Kingdom of God.

We are in the process of setting up a new TV channel (online), which will be available on a zero cost subscription basis with special courses and content accessible via a paywall.

The expected launch date and official opening of the Centre will be 28 August 2026.
